

JAAZ Steam Generator Warranty for 1 Year.

Terms, Conditions, and Exclusions

This warranty does not apply to a Generator that is or has been:

1. Used in any non-residential setting.
2. Damage by lightning, electrical storms or electrical surges or spikes does not cover under warranty.
3. Damaged by reason of local water conditions.
4. Proof of purchase (original sales receipt) must be provided to JAAZ.
5. Installed or operated other than in accordance with the JAAZ supplied Installation, Operation and Maintenance Manual.

Note:

If in the judgment of JAAZ the defect is not covered by this warranty, the costs of any in-home service as well as the costs of repair or replacement together with all freight charges will be the responsibility of the claimant.
